Subject \rightarrow Regarding permission to attend the lab
practical examination (chemistry lab).

Through \rightarrow The HOD (Mechanical engineering)

Respected Sir,

I Bikash Kumar (DME/CAC/1610481) want to say that I have not attended all the lab or 75% lab because in the same time slot the other paper or subject was going on and I was detained in 2nd sem, so I have filled the form for Repeat and because of the same time slot between the previous semester lab and present semester classes. I have attended the classes in my present semester in the time slot (2:30 PM - 4:30 PM) and at the same time the lab was also going on (2:30 PM - 4:30 PM) on Thursday. So, because of this reason I was unable to attend 75% of lab but I have attended 4 lab which is the no. of labs attended by me.

Therefore, please try to understand my problem and grant me the permission to attend the examination of chemistry lab. For this act I will be obliged to you.
