

Minutes of the Meeting DAAC (Mech. Engg.)

A meeting of Departmental Academic Affairs Committee was held on 03/07/2020 at 10:00 a.m. in the office of HOD (Mech. Engg.) to deliberate the paper bearing Ref. No. SLIET/AS/6690 dated 29/06/2020 and regarding change of grades.

The following observations have been made:

1. Mr. Shubham Bhardwaj (Regn. No. 1731880) was registered with one teacher but in ERP his (Mr. Shubham Bhardwaj) name appeared in the lists for two teachers teaching subjects MET-611 and MEP-611 and this led to his (Mr. Shubham Bhardwaj) state of being marked 'ABSENT' and awarded 'E' grade in the list by the teacher to whom he (Mr. Shubham Bhardwaj) was not registered. Moreover, in this state caused in ERP the grades 'D' and 'B+' awarded in the subjects MET-611 and MEP-611 respectively to him (Mr. Shubham Bhardwaj, Regn. No. 1731880) are actual.
2. The grades awarded to Mr. Pawan Kumar Mahto (Regn. No. 1830545, not 1830544 as appearing in the paper initiated in academic section for modification of result on 27/02/2020) in the subjects MET-611, MET-612C and MET-614 are as per provision in academic rules.

In the light of above observations DAAC is of the opinion that

- (1) the grades 'D' and 'B+' awarded in the subjects MET-611 and MEP-611 respectively to Mr. Shubham Bhardwaj (Regn. No. 1731880) are actual and
- (2) there lies nothing as change in the grades for both Old Grade and New Grade ~~Grades~~, as mentioned in the paper initiated in academic section for modification of result on 27/02/2020, awarded to Mr. Pawan Kumar Mahto (Regn. No. 1830545).

The meeting ended with thanks to the Chair.

## Minutes of the Meeting

A meeting of Departmental Academic Affairs Committee (DAAC) was held on 25/11/2020 at 10:30 a.m. in the office of HOD (Mech. Engg.) to deliberate awards of Molathoti Vinay Kumar (Regn. No.1740881)- a 2017-batch student studying with 2018 batch students, in 3<sup>rd</sup> Semester and requirement of compatibility with the curriculum of 2017 batch to which he was initially registered in the light of letter bearing Ref. No. SLIET/AS/5069 dated 09/11/2020.

The following observation has been made:

1. The letter bearing Ref. No. SLIET/AS/5069 dated 09/11/2020 cites correction in the subject code in the awards of Molathoti Vinay Kumar (Regn. No.1740881).  
Factual State: The word 'Correction' connotes that mistake/error committed by the Department needs to be rectified but this is not true. Actually, compatibility of subjects is to be taken in this case, made plausible, and based on this compatibility the subject code is to be assigned.

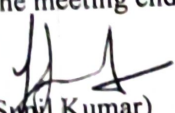

2. As per decision it is mentioned to follow scheme of 2017 batch for first 4 semesters i.e. from I semester to IV semester and that of 2018 batch for last 4 semesters i.e. from V semester to VIII semester for Molathoti Vinay Kumar (Regn. No.1740881).

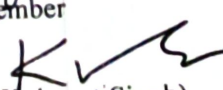

Factual State: The subject 'Principles of Management' with subject code 'HSMC-501' from the Department of Management and Humanities is different from the subject 'Industrial Engineering and Management' with subject code 'MET-515' in the Department of Mechanical Engineering as per scheme of 2017 batch. Moreover, the study of subject 'Principles of Management' (HSMC-501) is also not in compliance with the decision and the award sheet of MET-515 for which examination was held in December, 2018 shows state of Molathoti Vinay Kumar (Regn. No.1740881) as detained one.

In the light of above observations and factual state, DAAC is of the opinion that

- (1) Subject codes related to Mechanical Engineering for award of Molathoti Vinay Kumar (Regn. No.1740881) in III semester be assigned on the basis of compatibility made and shown in the letter bearing Ref. No. SLIET/AS/5069 dated 09/11/2020,
- (2) Molathoti Vinay Kumar (Regn. No.1740881) be considered for repeat case in 'Industrial Engineering and Management' (MET-515), allowed to study the subject under self- study mode and accordingly, appear at the examination,
- (3) The effort applied by the student to study the subject 'Principles of Management' (HSMC-501) be recognised and accordingly reflected in DMC, and
- (4) The award revised accordingly in subjects MET-511, MEP-511, MET-513, MET-514, and MEP-514 as well as the award of retest in MET-514 is enclosed herewith.

The meeting ended with thanks to the Chair.

Subject: -Minutes of the Meeting of DAAC

A meeting of Departmental Academic Affairs Committee (DAAC) was held in the office of HOD (Mech. Engg.) at 10:30 a.m. on 09.03.2021 to deliberate matter related to Open Elective subjects opted by Mr. Akansh Bansal (GWT/1840356) and Mr. Gaurav Joshi (GWT/1840360).

Going through the files it has been observed that even 02 subjects from the same group of Open Elective subjects have been found selected by students on ERP and which is contrary to the provision and practice to be followed for options given to students for choosing open elective subjects.

Further, DAAC is of the opinion that it would have added meaning to the process of solving problems if it would have been resolved and rectified at the end of academic section in the light of above state of ERP and moreover, it appears that sufficient time was also not given to identify and attend discrepancies in the list of open electives vide letter bearing Ref. No. SLIET/As/6610 dated 29/01/2021.

The meeting ended with vote of thanks to the chair.

Subject : Regarding Open Elective subjects of 5<sup>th</sup> semester (UG-2018).

PUC is a request of 02 students Akansh Bansal, GWT/1840356 and Gaurav Joshi, GWT/1840360 (Request Enclosed). The students mentioned that the open electives they have opted at the start of the 5<sup>th</sup> semester are now different on ERP Portal and their name is not in the final enrolment list of the subjects chosen. The detail is as under :-

Sr. No.	Name of Student	Regn. No.	Subjects Regd.in ERP	Subjects requested to opt
1	Akansh Bansal	GWT/1840356	OECS-611B OECS-612C	OEE-611C OEIE-612C
2	Gaurav Joshi	GWT/1840360	OEIE-612C	OECS-611B

The students have now submitted their request and respective class counselor has recommended to consider the requests. The ERP is showing the subjects which the students have opted at the time of registration and the registration list was verified by the respective class counselor. The next even semester is going to start and the requests of the students are received too late i.e. on 24.02.2021 after the end of 5<sup>th</sup> semester.

Subject: Discrepancy in the open elective subjects (UG-18 Sem-5)

Respected Sir,

I Akansh Bansal, has opted **OEEE-611C (Renewable energy)** and **OEIE-612C (Power Plant Engineering)** as my open elective subjects for the previous 5<sup>th</sup> semester but the official SLIET ERP portal is showing my subjects as **OECs-611B (Enterprise Resource Planning)** and **OEEC-612C (Programming with MATLAB)**.

My name is not in the final enrolment list of the subjects that I have chosen. And now my name is present in **OECs-611B** and not present in **OEEC-612C**. So, I have only one elective subject

Kindly look into this matter.

Thanking you in anticipation

Yours sincerely
