

Minutes of the Meeting

With reference to notices, Dean(A)-2470 dated 27/02/2024 and Dean(A)-458 dated 29/05/2024 regarding, to chalk out further course of action such as preparation of study scheme/curriculum, admission procedure etc. of the start of the 5-year integrated courses in the Department of CSE, ME & EIE. The meeting of committee members was held on 6/6/24 & again on 11/06/24 in the committee room of Food & Chemical Block (1st Floor) at 11:00AM

The committee deliberated the modalities for the start of integrated UG/PG courses and came with following recommendations/opinions.

1. **Nomenclature of integrated programmes**
As per the proposed nomenclature it is B.E./M.Tech., which needs to be discussed in order to bring uniformity to the programmes i.e. whether to adopt B.E./M.E. or B.Tech./M.Tech.
2. **Scheme and structure of the programmes**
The detailed structure and scheme of the curriculum for these programmes are yet to be prepared. For this, it is proposed that faculty member from the institutes/universities where such programmes are already running may be included as member(s) of the BOS of the respective departments for the purpose.
3. **Additional requirements for starting these programmes**
For smooth running of these programmes, additional requirements, like Infrastructural, Faculty, Technical manpower etc. need to be worked out and finalized before starting of these programmes.
4. **Rules/policies governing these programmes**
Rules and regulations besides seats distribution, admission process etc. needs to be discussed and finalized before starting of these programmes.

In view of the above, it is submitted that the departments would require additional time to work out the details as mentioned above ~~and other as required~~ and as such committee proposed the starting of these programmes from the session 2025-26 onwards rather than 2024-25. This will help the departments becoming more prepared and also give sufficient time to the institute for wide publicity of these programs and other modalities.

Submitted for consideration and approval please.
