

From Pre Page -

A meeting of DAAC(ME) was held on 15.12.2022 at 11:45AM in the office of HOD(ME) to examine the case of Mr. Rachit Kumar, Regn. No. PGWLF-1850159, who has submitted his M.Tech. thesis after completion of 04 years duration.

It is observed that the candidate has already completed his M.Tech. thesis and subsequently defended the same on 14.07.2021. However, in view of the modifications suggested by the external examiner, final thesis submission, complete in all respect and after final defence, got delayed and the reason for this delay as stated by the scholar and duly endorsed by the supervisor was Covid -19 and financial problems of his family.

The reasons seem to be reasonable and keeping in view that the candidate has already devoted his time and applied his efforts towards the completion of his M.Tech. degree, DAAC(ME) recommends that the final thesis submission made by the candidate may be accepted and the candidate may be awarded M.Tech. degree.
